Headed out and ready for anything.

For those who would be interested in seeing what streets will be closed Jan 6 and what street parking is unavailable see these maps, from the DC Parking twitter feed: <https://maga.host/g/EgKvC4m>

I'm not counting on Metro working (it may or may not), I'm not counting on being able to buy any water or food for the day (it may or may not be available), I'm not counting on cellphone service (bringing walkie-talkies and supplying the friends I'm going with), and am bringing a Trump flag and a sign made from a few of these images kindly provided by [u/ItsFunToSay-M-A-G-A](#) (over 100 images for signs and stickers)

<https://thedonald.win/p/11RNtMZzu6/-anybody-going-to-dc-on-january-/c/>

Nobody knows exactly what's going to happen Wednesday morning, other than the Secret Service opening up the Ellipse at 7am, the speakers start at 9am, and GEOTUS is scheduled for 11am. Then we walk to the Capitol for a 1pm rally there.

Stop the Steal and other groups have a registration page at <https://marchtosaveamerica.com>

It's going to be wild.

We got to our hotel around 11:30pm tonight (Monday) and decided to go sightseeing. Went to Lincoln Memorial and at midnight it was a beautiful 43 degrees out, incredible weather. Then drove around and saw the stages being put at the Eclipse, in front of White House. Really hoping to see Trump speak there Wednesday morning. Every street around the White House was blocked off by cop cars with lights on, it seemed strange for a quiet night at 1am.... as I'm driving down the street I hear a helicopter, I looked over and watched Marine One come down and land on WH lawn, as President Trump was returning from Georgia. Freaking awesome! Just dumb luck I happened to be in the right spot at the right time. Even ran the rental car into the curb while watching, lol.

I just arrived tonight in DC, I'm not sure if it's normal here, but all the parking garages are shuttered and you can't go into any of them in DC, however a few federal buildings do have their garages open but you just consent to a search to be allowed in, fuck that. Best best is in Arlington if you are a 2a pede, otherwise anywhere surrounding should be within walking distance. Hope to see a crowd here in the morning when I wake up, let's hope I'm not disturbed into I do.

“Our Father in heaven, hallowed be your name.[a] 10 Your kingdom come, your will be done,[b] on earth as it is in heaven. 11 Give us this day our daily bread,[c] 12 and forgive us our debts, as we also have forgiven our debtors. 13 And lead us not into temptation, but deliver us from evil.[d]

5 This is the message we have heard from him and proclaim to you, that God is light, and in him is no darkness at all. 6 If we say we have fellowship with him while we walk in darkness, we lie and do not practice the truth. 7 But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin. 8 If we say we have no sin, we deceive ourselves, and the truth is not in us. 9 If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. 10 If we say we have not sinned, we make him a liar, and his word is not in us.

Christ Our Advocate

2 My little children, I am writing these things to you so that you may not sin. But if anyone does sin, we have an advocate with the Father, Jesus Christ the righteous. 2 He is the propitiation for our sins, and not for ours only but also for the sins of the whole world.

All eyes will be on those going, and they (media) will sure enough accuse you of all wrongdoings even if it wasn't your fault. Show them you're better.
